DETAILED ACTION

1. This office action is in response to amendment dated: 6/3/2005. Claims 37-54 are pending.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Craig A. Hoersten, Attorney, Regd. No. 38,917 on 6/13/05. The application has been amended as follows:

In claim 48, lines 9-10, the following limitations have been added:

appending the packet with the outbound priority value; and
transmitting the appended packet on a second port of the switch.

Allowable Subject Matter

3. Claims 37-54 have been allowed.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

Art Unit: 2666

As recited by claim 37,

selecting an internal priority value and an outbound priority value using the priority descriptor, wherein the internal priority value and the outbound priority value are different;

prioritizing the packet while on the switch using the internal priority value;

appending the packet with the outbound priority value; and

transmitting the appended packet on a second port of the switch.

As recited by claim 45,

determining an internal priority value and an outbound priority value using a selected one of the inbound priority values, wherein the internal priority value and the outbound priority value are different;

prioritizing the packet while on the switch using the internal priority value;

appending the packet with the outbound priority value;

As recited by claim 48,

determining a first prioritization for the packet while on the switch using the inbound priority value and the priority descriptor; and

determining a second prioritization for the packet as transmitted from the switch using at least the priority descriptor;

appending the packet with the outbound priority value; and

transmitting the appended packet on a second port of the switch.

Art Unit: 2666

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
